Facts about Certified Carpet Cleaning, Inc.

We have strong new and well-maintained truck-mounted machines for superior cleaning.

We pre-spray an emulsifier that breaks up the soil and pre-treats all spots and stains.

The truck mount offers hot water carpet extraction. This method offers the most powerful stain removal process.

Same day service for cleaning in most cases.

Oldest and most reliable, punctual, and largest multi-family and residential carpet cleaning company in San Marcos.

We offer an effective process that removes allergens and dust mites, helping improve symptoms of allergies. No up-charging on services provided.

When your home or office is ankle deep in water, you need a solution and you need it fast! Let our professionals be the solution. We have the expertise, training and equipment to help save you in your time of disaster.

We concentrate on safely drying, deodorizing and disinfecting the areas flooded or damaged by water 24 hours a day 365 days a year. The first step to restoring your property is just a telephone call (512) 757-0984 away.

Company History

Certified Carpet Cleaning, Inc. has been servicing Hays County since 1990. Since we are locally owned and operated, we strive to provide superior customer service, resulting in our business being built on referrals from our customers.

Because of our experience in property management, we know how to handle any unique situations that may arise with professionalism and experience, making everyday management in the leasing office easier for the maintenance, managerial, and leasing staff. We will always treat your tenants as if they were our own - with respect and courtesy.

At Certified Carpet Cleaning, Inc. we are fully insured. All of our carpet cleaning technicians are employees, not subcontractors and do not work on commissions.
