### **Great Locations Realty Acquires Givens Properties**

Buda, TX – July 11, 2008 – Great Locations Realty recently opened their fourth branch office location in Buda located at the corner of 967 and 1626. Now they have taken over management of one of the most successful real estate companies in the Buda area, Givens Properties.

Great Locations Buda Vice President of Sales, Marc Goebler, said, “With the addition of the agents from Givens Properties, we’ve positioned ourselves to be THE real estate company in Buda area and expect to capitalize on Given’s long-time Buda presence and their depth of market knowledge of the area.”

The heads of the two companies, Jason and Rick Tarr, Brokers/Owners of Great Locations, and Margaret Givens all felt it was an opportune time to combine forces. “We really did feel that both companies had a strong team,” said Givens, “and with Great Locations moving to Buda, we felt that working with them would result in all of us having a stronger presence. Great Locations is a young company offering lots of ideas and I think it’s a good mesh.”

Jason Tarr agrees. “We’re fortunate Margaret and her agents have chosen to join our team. I think we can all learn a lot from each other, and work together to offer first class service and bottom line results to the residents of Buda.”

Great Locations Realty is the fastest growing real estate company in Hays County with offices in Buda, Kyle and San Marcos, as well as a New Braunfels location. With the addition of former Givens Properties agents, Great Locations now has over 40 Realtors®.
