(San Marcos, Texas) March 2, 2010 – Joyce Pratt of Trips and Travel, San Marcos, is offering a seminar Wednesday, March 10, 7 p.m. at the Country Inn & Suites in San Marcos on a money-saving group tour to the Emerald Isle. This 9-day tour includes a castle stay, tours of Dublin, Cork, Killarney, the Blarney Stone and more. The tour is offered by Sceptre Tours, and Bill Gardiner, a representative from the company, will be on hand to talk about specifics of the tour. This tour is one of the best bargains ever, says Pratt. Pratt, a veteran traveler, took the tour last month, and was so impressed she requested to offer it on a group basis to other Central Texans.

A group of 20 people will be able to go on the tour October 11, 2010, for less than \$2,400 per person, inclusive of airfare from Boston on Aer Lingus. This price includes all the sight-seeing by private luxury motorcoach, seven full Irish breakfasts, four three-course dinners, all local taxes and hotel service charges, as well as two special evening seminars, “Finding Your Irish Roots,” and “Archaeology of Ireland.” The tour will travel the South of Ireland stopping at major attractions such as the Waterford Crystal Factory, the Cliffs of Moher and St. Patrick’s Cathedral. Irish history and culture, along with breath-taking natural beauty make this tour a once-in-a-lifetime special event.

The tour begins in Dublin, where you will be welcomed to the country and get to know your fellow travelers over a Welcome Dinner. After a day of sight-seeing in Dublin which includes a visit to the Book of Kells, the next day the group will explore Glendalough, Waterford, and Cork. Day Five brings a trip to the Blarney Castle for a chance to kiss the famous Blarney Stone. Days Six and Seven continue with tours of spectacular scenery as you visit Killarney and the Cliffs of Moher. The tour ends on the ninth day back in Dublin. The seminar will go into further detail about all of the stops and sights available to see on the tour.

The Country Inn & Suites is located on the access road of IH-35 at 1560 IH-35 South. To learn more about the tour, come to the seminar, or call Joyce at Trips and Travel, (888) 811-4497.
